**Event:** The Gallagher Recall – Launch of the 2nd Gallagher Global Gathering.

**Venue:** Letterkenny Institute of Technology (LYIT), Letterkenny, Co. Donegal, Ireland.

**Date:** 12.15, Tuesday 4<sup>th</sup> June 2013.

At the Letterkenny Institute of Technology campus in Donegal today , the Gallagher Clan's Second Global Gathering , 6 -15 September 2013, was officially launched.

The launch date and venue was most befitting, with the Donegal Irish Diaspora Conference (4th and 5<sup>th</sup> June) in full swing in the LYIT and with it also being the venue for the Clan's successful Guinness World Record attempt in 2007, when some 1500 Gallaghers came together.

The week long programme for September, based in Gort a' Choirce in the heart of the Donegal Gaeltacht, has something for everyone, whether you are an overseas visitor or whether you are fortunate enough to live in this beautiful county of Donegal.

Speaking at the launch, the Clan Chief, Adrian Gallagher, said, “the programme is varied to enable those attending to get a flavour for all aspects of our heritage, from the live language and music to the local history/genealogy, while touring rugged west Donegal or simply relaxing with fellow Gallaghers and friends in one of the many event venues. We have unique events like the Benny Gallagher concert under the shadow of majestic Mount Errigal and the Gallagher Global Award Presentation Gala Dinner”.

Gallagher Clan Committee Chairman, Bearnaí Ó Gallchóir, added, “we had a great gathering in 2007, Guinness World Record and all, and we look forward to welcoming back those Gallaghers and their friends from all corners of the world to join in our celebration in the Gallagher homelands. Put the dates in your diary now, book your Gala Dinner tickets immediately and log on to the Gallagher Clan website or follow us on Facebook. Bí anseo do cheiliúró, beidh fáilte romhat – Be here for the celebrations. You will be very, very welcome”.
